**First Sunday of Advent
December 1, 2013**

"Stay awake! Be prepared." The advice is clear enough. And chances are, most of us are inclined to follow this fervent instruction from the Lord. We'd like to be vigilant. But on its own, the desire to be alert isn't necessarily enough to keep us from drifting off into a spiritual siesta.

How can we stay awake? Saint Paul gives us a hint in today's epistle: "Put on the armor of light...Put on the Lord Jesus Christ" (Rom 13:12, 14). Just as light prevents physical sleep, so too the light of Christ prevents spiritual slumber. So when Jesus comes again—even like a thief in the night—he will find us ready and waiting.

1st Sunday of Advent

“Stay awake! Be prepared.” The advice is clear enough. And chances are, most of us are inclined to follow this fervent instruction from the Lord. We’d like to be vigilant. We’d like to be ready. When the ultimate Advent comes—when Jesus returns—we don’t want to be the one left standing alone in the field. But on its own, the *desire* to be alert isn’t necessarily enough to keep us from drifting off into a spiritual siesta. Consider the apostles in the Garden of Gethsemane. Jesus gave them a similar instruction to the one he gives today: “Keep watch” (Mt 26:38). And what happened? They fell asleep. “The spirit is willing, but the flesh is weak” (26:41). How about us? Can we really stay awake? Indeed, the season of Advent presents a challenge: Jesus asks us to be ready to greet him at *any* hour. Though our spirit may be willing, can our “flesh” pull it off? Especially in this month of holiday hustle and bustle, how can we stay constantly focused on welcoming Christ?

Saint Paul gives us a hint in today’s epistle: “Put on the armor of light...Put on the Lord Jesus Christ” (Rom 13:12, 14). Just as light prevents physical sleep, so too the light of Christ prevents spiritual slumber. When we invite Jesus’ Spirit into our hearts, it’s like keeping a vigil light flickering in the window of our souls. We may go about our business, but that expectant flame never burns out. So when Jesus comes again—even like a thief in the night—he will find us ready and waiting.

Desde los ataques de las Torres Gemelas del 11 de septiembre del 2001, no han dejado de estar alertas las autoridades en caso de algún posible ataque terrorista. Sin embargo, debemos de estar más alertas pues hemos sufrido otros “ataques terroristas” que han dejado una huella profunda de sufrimiento en nuestra sociedad. Hoy iniciamos el Adviento y las lecturas nos invitan precisamente a eso: a estar alertas y bien despiertos. ¡Luz roja! San Pablo advierte que es tiempo de despertarnos. Pero, ¿qué significa esto? ¿Cómo despertar? Es más que escuchar el despertador cada mañana...

Este despertar es un nuevo comienzo que significa ver la cualidad que nos hace falta para comenzar de nuevo. Debemos practicar la habilidad de estar vigilantes. Si no estamos atentos perderemos fácilmente el camino. La vigilancia nos ayuda a ver la realidad de nuestro alrededor y de nuestra propia persona. Al vigilar, nos daremos cuenta en primer lugar del tiempo en que estamos. Es decir, es un tiempo que nos es muy familiar pero al mismo tiempo misterioso. El Señor Jesús y San Pablo nos recuerdan que la dimensión del tiempo no se mide con un reloj ni con el calendario. El tiempo que nos recuerda el Adviento es el tiempo de la acción de Dios en nuestra vida: es un tiempo sagrado y debemos darle importancia. No hay derecho a vivir a la ligera. Si perdemos este tiempo en nosotros mismos, ocupados solamente en nuestros egoísmos, ponemos en peligro la acción de Dios en este tiempo. ¡Prepáremos nuestro corazón para recibir al Señor! Aprovechemos el tiempo en ser mejores.

Take the 2014 Synod Survey

Pope Francis has energized our Church in so many ways. He is asking us to look at our own living of the Gospel as a witness of the Roman Catholic faith to

others. One of the “basics” to which the Holy Father is urging us to return is the fundamental importance of the family as domestic church. To that end, Pope Francis will convene an Extraordinary General Assembly of the Synod of Bishops next October to focus specifically on the *Pastoral challenges of the family in the context of evangelization*.

It is the intention of the Synod to examine information on how parishes and areas throughout the Universal Church are living out various Church documents related to family life. In preparation for the 2014 Synod on the Family Pope Francis is seeking input from the Catholic faithful. Those interested in taking a Vatican survey of how Church teaching on family life issues is being lived locally are encouraged to visit the Diocesan website at www.sbdioocese.org and click on the corresponding link in the Resource Center. Responses must be submitted by December 10.

Participe en la Encuesta del Sínodo del 2014

En preparación para el Sínodo del 2014 Sobre la Familia, el Papa Francisco está solicitando la participación de los fieles católicos. Los interesados en completar la encuesta del Vaticano sobre la enseñanza de temas de cómo la vida familiar de la iglesia se vive localmente, se les invita a visitar la página Diocesana www.sbdioocese.org, seleccionen el enlace correspondiente en el centro de recursos ‘Resource Center.’ Las respuestas deben presentarse antes del 10 de Diciembre.

UPCOMING ADVENT PENANCE SERVICES IN THE HEMET VICARIATE

Through the sacrament of Penance, (also known as Confession/Reconciliation) God offers mercy and forgiveness. In response to this gift, we are called to become vehicles of Christ's love, making amends and restoring justice and the bonds that have been broken. Healed and forgiven, we are sent to work for peace, justice and love in our communities and world.

Receiving this sacrament during Advent is extremely encouraged, as we are preparing ourselves for Christ's coming. Many parishes in our area will be offering Penance Services. Feel free to attend any of these services so that you may "come home" healed for the holiday.
